Company/Corporate Sponsorship

SVPSM has ALWAYS provided a family friendly, well run car show. Our success has been in part due to the sponsorship of companies who believe in our goals and our philosophy of giving the audience a quality show with maximum exposure to not only attendees but to promote our sponsors. We are a non-profit performance car club whose members work hard to put on a quality show each year. Our goal is to help support a local charity each year. As you can gather, it costs a lot to put on a quality show, not just in the time required but in expenses. Your sponsorship will help us keep putting on one of the great family-oriented automobile events. Whatever donation you feel comfortable with ***is greatly appreciated.***

We will strive to ensure that the show promoters will provide the following:

Exposure to your company name through as many means as possible, such as:

- Company provided banners, hung in places where attendees will see them.
- Periodic announcements, through our professional DJ, of our sponsors by name (on average, 5+ times during the course of the event).
- Listing of our sponsors on this website.

We maintain a website for the club's shows and information. All attendees get information on the website and are encouraged to visit it for information, pictures, and our sponsors listing. We strive to insure that we do our utmost to support you, our supporters, so we may continue to put on a fun filled, family-friendly show where the competition is real, everyone is treated with fairness and respect, and that we work to further the cause of the charities. We take pride in being one of the 'hometown shows'. Many of our attendees come from not just Schoharie County, but many other Upstate NY counties, so exposure is not just limited to the local patrons.

If you are interested in becoming a sponsor of our show, please fill out the following form and return it, with your sponsorship check, to:
